SHONEN KNIFE

I want to go, I want to go
To the green fields with you, baby
C'mon let's go
(C'mon let's go)
Wo, wo, woRiding on a bicycle together
We could ride forever
C'mon let's go
(C'mon let's go)
Wo, wo, woRiding on the cycling road
Everyone is having fun
Riding on the cycling road
Nobody knows our cycling roadRun, run, run de run
Ride, riding on a bicycle
Run, run, run de run
Ride, riding on a bicycleI want to go I want to go
To the green fields with you baby
