Gentleman

Between The Trees

Do you ever wonder what it would be like
To stick around long enough for me to be polite?
I swear I am a gentleman, I swear this is true
But you don't even care to notice, you just act like you do
So tell me now
Tell me, tell me what you want from me now
'Cause I can't believe I'm still around
You tell me everything is gonna work out
But I can't believe you, no, no
Stuck in traffic, running late for work again
I can't believe what you did, what you said
Telling me you love me just to take it back again
Oh, I know you wish that you meant it
So tell me now
Tell me, tell me what you want from me now
'Cause I can't believe I'm still around
You tell me everything is gonna work out
But I can't believe you, no
Tell me, tell me what you want from me now
'Cause I can't believe I'm still around
You tell me everything is gonna work out
But I can't believe you, no, no
So go on, go on, go on
Go on, go on, go on
So tell me now
Tell me, tell me what you want from me now
'Cause I can't believe I'm still around
You tell me everything is gonna work out
But I can't believe you, oh I can't believe you now
Tell me, tell me what you want from me now
'Cause I can't believe I'm still around
You tell me everything is gonna work out
But I can't believe you, no, no
