

# Easier to Run

## Linkin Park

Its easier to run  
Replacing this pain with something more  
Its so much easier to go  
Than face all this pain here all aloneSomething has been taken from deep inside of me  
The secret Ive kept locked away, no one can ever see  
Wounds so deep they never show, they never go away  
Like moving pictures in my head for years and years, theyve playedIf I could change I would take back the pain  
I would  
Retrace every wrong move that I made I would  
If I could stand up and take the blame I would  
If I could take all the shame to the grave I wouldIf I could change I would take back the pain I would  
Retrace every wrong move that I made I would  
If I could stand up and take the blame I would  
I would take all my shame to the graveIts easier to run  
Replacing this pain with something numb  
Its so much easier to go  
Than face all this pain here all aloneSometimes I remember the darkness of my past  
Bringing back these memories, I wish I didnt have  
Sometimes I think of letting go and never looking back  
And never moving forward so theres never be a pastIf I could change I would take back the pain I would  
Retrace every wrong move that I made I would  
If I could stand up and take the blame I would  
If I could take all the shame to the grave I wouldIf I could change I would, take back the pain I would  
Retrace every wrong move that I made I would  
If I could stand up and take the blame I would  
I would take all my shame to the graveJust washing it aside  
All of the helplessness inside  
Pretending, I dont feel misplaced  
Its so much simpler to changeIts easier to run  
Replacing this pain with something numb  
Its so much easier to go  
Than face all this pain here all aloneIts easier to run  
If I could change I would take back the pain I would  
Retrace every wrong move that I made  
Its easier to goIf I could change I would take back the pain I would  
Retrace every wrong move that I made I would  
If I could stand up and take the blame I would  
I would take all my shame to the grave
