Madonna

Wienzo & Magia

Miss madonna won't you give me a kiss
One of your soft sweet lagrimas
Miss madonna won't you give me a kiss
One of your soft sweet lagrimas
Oh miss madonna won't you please give me a kiss
Give me one of those soft sweet lagrimas
'Cause i felt your pain
When your baby was slain
And i tossed some roses to perfume his grave
Oh miss madonna won't you let me underneath your halo
'Cause it's raining hard
Raining hard in this abyss

Miss madonna...
Oh miss madonna where you goin' after church
In that preacher's car
You know o won't tell nobody
That you've been smoking cigars
I won't tell nobody
Tell nobody
That you've been smoking cigars
Miss madonna...
