Girls of Summer

YONAS

When winter hush turns summer pink
In half the time it takes to blink
But it all depends on what' choo think
About the girls of summer

When all you think of all day long
Is a pretty face inside a song
With a thought like that you can't go wrong
About the girls of summer

Oh yeah (Do you know, what everybody's talking about)

Some girls are all about it
Some girls they love to let it fly
Some girls can't live without it
Some girls are born to make you cry

Over and over again

My favorite thing that drives me wild
Is when a city girl walks a country mile
For a boy she loves
God bless the child inside the girls of summer

Oh yeah (Do you know, what everybody's talking about)

Some girls are all about it
Some girls they love to let it fly
Some girls can't live without it
Some girls are born to make you cry

Yeah over and over again
Yeah yeah yeah yeah yeah

They get'choo climbin' the walls
They get'choo caught in their spell
They get'choo speakin' in tongues
Could this be Heaven or Hell
To fall in love twice a day

Is such a sweet price to pay

S'il - vous - plait

The best things about life are free
The pussy willow up your tree
To the one who climbs
They'll always be the girl yeah

Some girls are all about it
Some girls they love to let it fly
Some girls no doubt about it
Some girls are born to make you cry

Some girls can't live without it
Some girls got twenty reasons why

Over and over and over and over and over
