Another Day

U2

Wake up, the dawn of another dull day
Take up, your dreams and on your way
Oh, oh, oohDaylight, mother stands in the hall
Last night, head against the wall
Oh, oh, oohWhen night turns to day
And the children come out to play
Another dayStop, shake out
They came my way
Oh, oh, oohBoy, salute in a street uniform
Toy, soldier ripped and torn
Oh, oh, oohWhen night turns to day
And the children come out to play
Another dayStop, shout
They came my way
Oh, oh, ooh
