

Another Day

U2

Wake up, the dawn of another dull day
Take up, your dreams and on your way
Oh, oh, ooh Daylight, mother stands in the hall
Last night, head against the wall
Oh, oh, ooh When night turns to day
And the children come out to play
Another day Stop, shake out
They came my way
Oh, oh, ooh Boy, salute in a street uniform
Toy, soldier ripped and torn
Oh, oh, ooh When night turns to day
And the children come out to play
Another day Stop, shout
They came my way
Oh, oh, ooh
