Humble Me

Tim Timmons

What do you have to do?
What homework do you have to do?
(Spelling and math)
So why aren't you at home doing your homework?
Why didn't you do your homework?
('Cause you wanted me to come here)
And
(And)
Sometimes my ego gets in the way
I don't say I love you when I should say
It ain't your fault, I had a bad day
For your happiness is why I pray
Now, I lay me down to sleep
Hope that you are proud of me
If I should die before I wake
Remember all these words I'm saying
Your smile, your face is all that it takes
Is all that it takes to humble me
Your smile, your face is all that it takes
Is all that it takes to humble me
When I look into your eyes I think that
I'm a lucky guy to know someone like you
Will always be apart of my life knowing that
I taught you, well, I picked you up when you fell
And no one else can tell you that but you
I won't be there, I know you are the future
Times heart of the sure end and that is why
It make me respect you more
Now, I lay me down to sleep
Hope that you are proud of me
If I should die before I wake
Remember all these words I'm saying
Your smile, your face is all that it takes

Is all that it takes to humble me
Your smile, your face is all that it takes
Is all that it takes to humble me
Now, I lay me down to sleep
Hope that you are proud of me

If I should die before I wake
Remember all these words I'm saying
Your smile, your face is all that it takes
Is all that it takes to humble me
Your smile, your face is all that it takes
Is all that it takes to humble me
Now, I lay me down to sleep
Hope that you are proud of me
If I should die before I wake
Remember all these words I'm saying
Your smile, your face is all that it takes
Is all that it takes to humble me
Your smile, your face is all that it takes
Is all that it takes to humble me
I love you, forever will always be together
Sang, sang, sang, will well, that was good, that was good
Thank you, anything you want to say
Anything you want to say to your fans?
Thank you everybody for what for loving me
Now, I lay me down to sleep
Hope that you are proud of me
If I should die before I wake
Remember all these words I'm saying
Your smile, your face is all that it takes
Is all that it takes to humble me
Your smile, your face is all that it takes
Is all that it takes to humble me
