

Room to Breathe

Blindspott

Does it upset you
To see where i lay
And tell me does it make you sad
Cos im the weak you will pray
And tell me does it bend you up
Block your mind and leave you feeling unstable again

Give me
Room to breathe
Just to live it all
Room to breathe

Would it make you sad if I
Sat back and laughed as I made you sad, as I made you choke
Would it make you want to die?
Would it make it right if I
Sat back and laughed as I made you sad, as I made you choke
Would it make you want to die?

And Theres no excuse
For the games that you play
And tell me why theres no escape
From the things that you say
And tell me does it spin you inside
F*** your mind and leave you feeling violated again

Give me
Room to breathe
Just to live it all
Room to breathe

Would it make you sad if I
Sat back and laughed as I made you sad, as I made you choke
Would it make you want to die?
Would it make it right if I
Sat back and laughed as I made you sad, as I made you choke
Would it make you want to die?

(Does it make you, make you sick?)

scream

Does it make you?

Want to die?

Would it make you die?

Would it make you sad if I

Sat back and laughed as I made you sad, as I made you choke

Would it make you want to die?

Would it make it right if I

Sat back and laughed as I made you sad, as I made you choke

Would it make you want to die?
