Hole In the Sky

Pantera

I'm looking through a hole in the sky
I'm seeing nowhere through the eyes of a lie
I'm getting closer to the end of the line
I'm living easy where the sun doesn't shine
I'm living in a room without any view
I'm living free because the rent's never due
The synonym of all the things that I've said
Are just the riddles that are built in my headHole in the sky
Gateway to heaven
Window in time
Through it I flyI've seen the stars that disappear in the sun
But shooting's easy if you've got the right gun
And even though I'm sitting waiting for mars
I don't believe there's any future in cards.Hole in the sky
Gateway to heaven
Window in time
Through it I fly yeah
