

Machine Gun (Zilla Rocca Remix)

Portishead

I saw a savior
A savior come my way
I thought I'd see it
At the cold light of day
But now I realize that I'm
Only for me[Chorus]
If only I could see
You turn myself to me
And recognize the poison in my heart
There is no other place
No one else I face
The remedy, it will agree, with how I feel
Here in my reflecting
What more can I say?
For I am guilty
For the voice that I obey
Too scared to sacrifice a choice
Chosen for me[Chorus]
