

# I Will Make You Mine

## Lola Ray

Look into my eyes  
There's nothing left inside  
The problem with these kids is that they lie  
They break into your heart  
And take what they can find  
I'm sorry, but I'm taking back what's mine  
Oh, you can run  
And you can hide  
But I will stand by your side  
Until the night  
Don't put these people on trial  
'Cause you feel like breaking up the story, love  
But I won't be broken this time..  
'Cause I will make you mine  
Look into my life  
There's nothing left to hide  
The trouble with these plans is that they die  
So don't trust their pretty words  
'Cause they sing like pretty birds  
Without their promises, their wings will burn  
Oh let them burn  
They'll never learn  
But I will stand by your side  
Until the night  
Don't put these people on trial  
Do you feel like breaking up the story, love?  
But I won't be broken this time...  
'Cause I will make you mine
