

# Shut Me Up (tsmv still filthy mix)

## Mindless Self Indulgence

The bass  
The rock  
The mic  
The treble I like my coffee black  
Just like my metal  
With the bass  
The rock The mic  
The treble  
I like my coffee black  
Just like my metal I can't wait for you to fuck me up  
In a minute - minute  
In a fuckin' minute  
I can't wait for you to fuck me up In a minute - minute  
In a second I can't wait for you to shut me up  
And make me hip like badass  
I can't wait for you to shut me up  
Shut it up I can't wait for you to shut me up  
And make me hip like badass  
I can't wait for you to shut me up  
Shut it up The bass  
The rock  
The mic  
The treble I like my coffee black  
Just like my metal  
With the bass  
The rock The mic  
The treble  
I like my coffee black  
Just like my metal I can't wait for you to fuck me up  
In a minute - minute  
In a fuckin' minute  
I can't wait for you to fuck me up In a minute - minute  
In a second I can't wait for you to shut me up  
And make me hip like badass  
I can't wait for you to shut me up  
Shut it up I can't wait for you to shut me up  
And make me hip like badass  
I can't wait for you to shut me up  
Shut it up I don't buy your body right now - right now

I'm almost over my body right now - now  
I'm on my way to the party right now - right now  
I don't buy your body right now - right now I'm almost over my body right now - now  
I'm on my way to the party right now - right now  
Because the (bass? break?), the (bass? the break?) I can't wait for you to shut me up  
And make me hip like badass  
I can't wait for you to shut me up  
Shut it up I can't wait for you to shut me up  
And make me hip like badass  
I can't wait for you to shut me up  
Shut it up
