Stop And Stare (Jaymo And Andy George Remix)

Fenech-Soler

I see you there,
Like a light in the sky
Don't give up,
And I'll fight
If you show me a signThe monkeys in exile,
They're screaming because they know it's time
The city it sleeps,
Not knowing the reason whyWe stop and stare,
'Cause we don't know where we're going
I see the stars on the horizon
I told a lieI see you there like a light in the sky,
Don't give up,
And I'll fight
If you show me a signThe world fills with darkness
No power line, no reason to shine
We'll sail off this ocean
And search out the reason whyWe stop and stare,
'cause we don't know where we're going
We brave the cold,
We try to hide our fearWe stop and stare,
'Cause we don't know where we're going
I see the stars on the horizon
I told a lieAll I see is the flashing of lights,
I need to feel the heat,
Don't give up the fight
I see your pain is rough,
You're burning so brightThe castle sleeps,
The arches take aim
I feel the fire,
do you feel it the same?
All I see is the flashing of lights tonightWe stop and stare,
'Cause we don't know where we're going
I see the stars on the horizon
I told a lieWe stop and stare,
'Cause we don't know where we're going
We brave the cold,
we try to hide our fearWe stop and stare,
'Cause we don't know where we're going
I see the stars on the horizon

I told a lie
