

# Stop And Stare (Jaymo And Andy George Remix)

## Fenech-Soler

I see you there,  
Like a light in the sky  
Don't give up,  
And I'll fight  
If you show me a signThe monkeys in exile,  
They're screaming because they know it's time  
The city it sleeps,  
Not knowing the reason whyWe stop and stare,  
'Cause we don't know where we're going  
I see the stars on the horizon  
I told a lieI see you there like a light in the sky,  
Don't give up,  
And I'll fight  
If you show me a signThe world fills with darkness  
No power line, no reason to shine  
We'll sail off this ocean  
And search out the reason whyWe stop and stare,  
'cause we don't know where we're going  
We brave the cold,  
We try to hide our fearWe stop and stare,  
'Cause we don't know where we're going  
I see the stars on the horizon  
I told a lieAll I see is the flashing of lights,  
I need to feel the heat,  
Don't give up the fight  
I see your pain is rough,  
You're burning so brightThe castle sleeps,  
The arches take aim  
I feel the fire,  
do you feel it the same?  
All I see is the flashing of lights tonightWe stop and stare,  
'Cause we don't know where we're going  
I see the stars on the horizon  
I told a lieWe stop and stare,  
'Cause we don't know where we're going  
We brave the cold,  
we try to hide our fearWe stop and stare,  
'Cause we don't know where we're going  
I see the stars on the horizon

I told a lie
