# THE CHOKIN KIND

## [unknown]

I only meant to love you
Didn't you know it, baby
Didn't you know itWhy couldn't you be content
With the love I gave, oh yeah
I gave you my heart
But you wanted my mind, oh yeahYour love scares me to death boy
Oh, it's the choking kind
That all it isSee you can kill a girl
With a bottle of poison or a knife
I know you can but it'll hurt her more
To take her pride, it'll ruin her life
Oh, it's a shame, it's a shame, boyWhatever it is, boy
I surely hope you find, oh yeah
I tell you that hat, hmm
Don't fit my head
Oh, it's the choking kindIt make me want to
Hmm, hmm, hmm, hmmWhen you fall in love again, boy
Take a tip from me, oh yeah
Ooh, if you don't like the peach
Then walk on by the tree
That's what you better do honey, honeyFind what you want boy
Keep it, treat it sweet and kind, oh yeah
Oh, let it breathe
Don't go makin'
It the choking kindDon't break your heart baby, baby
I know you love me, truly, truly
Really I do, honey
But your love scares me to death, boy
It's the choking kindThat's all it is, that's all it is
Yeah, yeah, oh, ooh
