

# Fall On Me

## Disciple

Take my eyes from me, so I will see in spirit  
Change my mind to think, on what you see fit  
The heavens declare your glory, but does my witness  
May you be glorified in me, Lord may I be blameless  
Fall on me I am available to do your will,  
in my life I pray Your word is fulfilled,  
they're singing honor to you  
Oh Lord my God,  
Power and strength to you Oh Christ Jesus  
Fall on me
