Unzip

ABC

Loves just the gimmick, a mime or a mimic
That makes sex seem respectable
Make you feel more than a dream holding me
Holding me, holding me, holding meLips that seem so kissable
Unpermissible, unzippable unzip
Why take pleasure in censorship
Unzip, unzip, unzipShes vegetarian except when it comes to sex
Hes strictly ad lib except when he consults the textLips that seem so kissable
Unpermissible, unzippable unzip
Youre just the captain of a sinking ship
Unzip, unzip, unzip
