

# Madness

## Madness

I've never had much 'cause for worry  
And I've not got a lot to say  
You'll never find me in a hurry  
Because I live my life day by day  
People say that I'm crazy  
But I'm not that way inclined  
I know what I know and I'll happily show  
That madness is all in the mind  
Twenty-four hours is all that I care for  
I believe that's the only way  
Twenty-four hours is all that I needed  
Because I live my life day by day  
People say that I'm crazy  
But I'm not that way inclined  
I know what I know and I'll happily show  
That madness is all in the mind  
I'm happy the way that I do things  
Continually feeling okay  
I've no worries on what tomorrow brings  
Because I live my life day by day  
People say that I'm crazy  
But I'm not that way inclined  
I know what I know and I'll happily show  
That madness is all in the mind  
Well some men seek answers in bottles  
And others in degenerate ways  
But I don't care much for the question  
Madness is all in the mind  
Madness is all in the mind  
Madness is all in the mind  
Madness is all in the mind
