May It Be

Howard Shore

May it be an evening star shines down upon you
May it be when darkness falls your heart will be true
You walk a lonely road
Oh how far you are from homeMornie utulie
Believe and you will find your way
Mornie alantie
A promise lives within you nowMay it be the shadow's call will fly away
May it be your journey on to light their day
When the night is overcome
You may rise to find the sunMornie utulie
Believe and you will find your way
Mornie alantie
A promise lives within you now
A promise lives within you now
