Summer Mood

Best Coast

Walking away
Talking all day
Ooo I want you
Ooo I want youWalking away
Talking all day
Ooo I want you
Ooo I want youBut there's something about the summer
There's something about the summer
There's something about the summerWalking away
Talking all day
I can't stand this
I can't stand thisWalking away
Talking all day
I can't stand this
I can't stand thisBut there's something about the summer
There's something about the summer
Something about the summer
Something about the summer that makes me moodyThat makes me moody
That makes me moody
That makes me moody
That makes me moodyAh
Ah
Ah
Ah
