

# Summer Mood

## Best Coast

Walking away  
Talking all day  
Ooo I want you  
Ooo I want you Walking away  
Talking all day  
Ooo I want you  
Ooo I want you But there's something about the summer  
There's something about the summer  
There's something about the summer Walking away  
Talking all day  
I can't stand this  
I can't stand this Walking away  
Talking all day  
I can't stand this  
I can't stand this But there's something about the summer  
There's something about the summer  
Something about the summer  
Something about the summer that makes me moody That makes me moody  
That makes me moody  
That makes me moody  
That makes me moody Ah  
Ah  
Ah  
Ah
