

My Heart (Live in Anaheim)

Paramore

I am finding out that maybe I was wrong
That I've fallen down and I can't do this alone
Stay with me
This is what I need please Will you sing us a song
And we'll sing it back to you
We could sing our own
But what would it be without you I am nothing now
And its been so long
Since I've heard a sound
The sound of my only hope
This time I will be listening Will you sing us a song
And we'll sing it back to you
We could sing our own
But what would it be without you This heart, it beats
Beats for only you My heart is yours
