

# Constant Craving

[k.d. lang](#)

Even through the darkest phase  
Be it thick or thin  
Always someone marches brave  
Here beneath my skin And constant craving has always been Maybe a great magnet pulls  
All souls towards truth  
Or maybe it is life itself  
Feeds wisdom to its youth Constant craving has always been Craving, ah, ha  
Constant craving has always been  
Has always been Constant craving has always been  
Constant craving has always been Craving, ah, ha  
Constant craving has always been  
Has always been  
Has always been  
Has always been  
Has always been  
Has always been
