Dancing In the Sheets

Shalamar

Dancin in the sheets
Dancin in the sheetsI caught you smilin', I know Ive seen you here before
How come youre hidin, hey, dont you wanna hit the floor
The place is crowded or maybe you dont like the beat
I got a two-track playin' in my head
So let me take you somewhere else insteadDancin in the sheets
Dancin in the sheetsGrab your coat and wave goodbye to your friends
I wanna take you where the night never ends
I feel the need to sweep you off your feet
You and me, we should be dancin in the sheets
Dancin in the sheetsWe got the rhythm, we got the music on our side
If we go with em, Ill bet well have a wonderful ride, oh
Your hands are cold, so maybe we could make some heat
Love is always born on a chance
So wrap around me and baby, lets danceDancin in the sheets
Dancin in the sheetsGrab your coat and wave goodbye to your friends
I wanna take you where the night never ends
I feel the need to sweep you off your feet
You and me, we should be dancin in the sheets
Dancin in the sheetsGrab your coat and wave goodbye to your friends
I wanna take you where the night never ends
I feel the need to sweep you off your feet
You and me, we should be dancin in the sheets
Dancin in the sheetsDancin in the sheets
Dancin in the sheets
Dancin in the sheets
