City In the Sky

Hyraxe & Tevlo

I can see cities in the skies.
I can see my life in your eyes.
I know there's times we chose to forget.
Forget.
Searchin' through those I still don't regret.
Regret.

Can you find a place for me,
in your world of fantasy?
I'll be your king, you be my queen,
in our city in the sky.

(I can see cities in the skies)
(I can see my life in your eyes)

Don't wait too late.
Come take your place,
in the city of skies.
In the city of skies. (x2)

Can you find a place for me,
in your world of fantasy?

I can see cities in the skies.
I can see my life in your eyes.
I know there's times we chose to forget.
Forget.
Searchin' through those I still don't regret.
Regret.

Can you find a place for me,
in your world of fantasy?
I'll be your king, you be my queen,
in our city in the sky.

(I can see cities in the skies)
(I can see my life in your eyes)
