

# Dinner Bell

## They Might Be Giants

I've been leaving on my things  
So in the morning when the morning bird sings  
There's still dinner on my dinner jacket  
'Til the dinner bell rings  
Experimental dog, salivating dog, good dog  
Waiting for the dinner bell to do the bell thing  
Dinner bell, dinner bell ring  
I've been leaving on my things  
So in the morning when the morning bird sings  
There's still dinner on my dinner jacket  
'Til the dinner bell rings  
I don't want a pizza, I don't want a piece of peanut brittle  
I don't want a pear, I don't want a bagel, I don't want a bean  
I wouldn't like a bag of beef or a beer or a cup of chowder  
Corn, cake, or creamed cauliflower  
'Cause I'm waiting for the dinner bell to do the bell thing  
Dinner bell dinner bell ring  
Shoulder, bicep, elbow, arm  
Forearm, thumb, wrist, knuckle, palm  
Middle, pinky, index, ring  
Dinner bell, dinner bell ding  
I don't know whether I'd rather be having a bottle of vinegar  
I don't know whether I'd rather be having an egg  
I don't know whether I'd rather be having an order of bacon  
Or whether I'd rather be having a basket of garlic bread  
I don't know whether I'd rather be having some pie or saving my appetite  
'Cause I'm waiting for the dinner bell to do the bell thing  
Dinner bell dinner bell ring  
I've been leaving on my things  
So in the morning when the morning bird sings  
There's still dinner on my dinner jacket  
'Til the dinner bell does the bell thing  
Dinner bell, dinner bell, do the bell thing  
I'm waiting for the dinner bell to do the bell thing  
Dinner bell, dinner bell ding, ding, ding  
Waiting for the dinner bell to do the bell thing  
Dinner bell, dinner bell ding, ding, ding  
Waiting for the dinner bell to do the bell thing

Dinner bell, dinner bell ding
