Falling

Montell Jordan

Falling for you
And I just can't help myself
Baby I'm falling
Falling for you
And I just can't help myself
Baby I'm falling
Thirty days since our first kiss
Sit alone reminisce
What you said last night
Just took me by surprise
How you said you're not gonna cry no more
You're waiting to exhale
Having feelings that you're falling
Woman I've already fell
Falling for you
And I just can't help myself
Baby I'm falling
(Oh I)
Falling for you
(Oh, I'm falling)
And I just can't help myself
Baby I'm falling
Contemplating what to do
Falling faster over you
But my heart and pride
Are out there on the line
I dial your number on the phone
A steady ringing your not home
If you're listening to this message
Girl I'm calling 'cos I'm falling for you
Falling for you
And I just can't help myself
Baby I'm falling
(Can't believe I'm falling)
Falling for you
(Do you feel the same way too)
And I just can't help myself
Baby I'm falling
Falling for you

And I just can't help myself
Baby I'm falling for you
Falling for you
And I just can't help myself
Baby I'm falling for you
Falling for you
(Yes I am, yes I am)
And I just can't help myself
(Can't help myself)
Baby I'm falling
Falling for you
And I just can't help myself
(Falling baby)
Baby I'm falling
(Falling baby)
I can't help myself
Seems I keep on falling
(And I just can't help myself)
No, no I just can't help myself
Seems I keep on falling
No just can't help myself
Seems like I keep on falling
Yeah, help me
(And I just can't help myself)
(Baby I'm falling)
Won't you help me sugar
Falling for you
(So [Incomprehensible])
And I just can't help myself
Baby I'm falling
Falling for you
And I just can't help myself
Baby I'm falling
I'm falling
