Vibrator

Electric Six

Hey! Looks like an emergency
Well thats ok with me cos i wanna take you in this elevator
Looks like you're my baby now
So put away that thing cos my baby don't need no vibrator
CHORUS
I'm the...I'm the one you're looking for
I'm sure....I'm sure you've heard it all before
I care...but i don't care anymore
I'm sorry...but I don't know what i'm sorry for
She don't, she don't, she don't need no vibrator
She don't, she don't, she don't need no vibrator
She don't, she don't, she don't need no...electric entertainer tonight investigator
Hey... now the doors are opening
and i look like a jerk while you're grinning like an aligator
cant we just forget the whole thing
shake each others hands and say goodbye baby see you later

CHORUS

She don't, she don't, she don't need no vibrator
She don't, she don't, she don't need no vibrator
She don't, she don't, she don't need no...artificial stimulator non - organic excavator
CHORUS
She don't, she don't, she don't need no vibrator
She don't, she don't, she don't need no vibrator
She don't, she don't, she don't need no...electric entertainer tonight investigator
hey... She don't, she don't, she don't
hey... She don't, she don't, she don't
hey... She dies, she dies, she dies
hey... She dies, she dies, she dies
so i will see you later
