

Some of These Days

Bobby Darin

Some of these days
You're gonna miss me, baby
Some of these days
You're gonna feel you're so lonely You'll miss my huggin'
You're gonna miss my kissin'
You'll miss me, baby
When I am far away You'll feel so lonely
And want me only
'Cause you'll know, baby
You always had your way And if you leave me
You know, it's gonna grill me
You're gonna miss, your thin little daddy
Some of these days I said some of these days
You're gonna miss me, baby
I'm talking about days
You're gonna feel so lonely You're gonna miss my huggin'
You're gonna miss my kissin'
You'll miss me, baby
When I'm long gone away You're gonna feel so lonely
And beg for me only
'Cause you know, baby
I always gave you, your way And if you leave me
You know, it's gonna grill me
You'll miss, your thin little daddy
Some of these days
