

First Love

[Amy Grant](#)

You are my first love, sweet and gentle as the night
Just being near You now is like a lullaby
All that I have I give away to follow You
I can't imagine having life without You, oh
When all these worldly battles seem to never cease
You simply lift me up and rest me in Your peace
I heard some people say, You're only in my mind
I hope that someday You'll choose to find them
All other loves will slowly fade like dying flame
Tomorrow, now and yesterday You're still the same
I wait with longing heart to see You come again
Your sweet and tender love will never end
