

Kiss of Fire

Billy Eckstine

I touch your lips and all at once the sparks go flying
Those devil lips that know so well the art of lying
And though I see the danger, still the flame grows higher
I know I must surrender to your kiss of fire Just like a torch, you set the soul within me burning
I must go on, I'm on this road of no returning
And though it burns me and it turns me into ashes
My whole world crashes without your kiss of fire I can't resist you, what good is there in trying?
What good is there denying you're all that I desire?
Since first I kissed you my heart was yours completely
If I'm a slave, then it's a slave I want to be
Don't pity me, don't pity me Give me your lips, the lips you only let me borrow
Love me tonight and let the devil take tomorrow
I know that I must have your kiss although it dooms me
Though it consumes me, your kiss of fire Since first I kissed you my heart was yours completely
If I'm a slave, then it's a slave I want to be
Don't pity me, don't pity me Give me your lips, the lips you only let me borrow
Love me tonight and let the devil take tomorrow
I know that I must have your kiss although it dooms me
Though it consumes me, your kiss of fire
