Atomic Punk

Fee Waybill

I am a victim of the science age
A child of the storm, whoa yes
I can't remember when I was your age
For me, it says no more, no more
Nobody rules these streets at night but me
The Atomic Punk, oh yeah
I am the ruler of these netherworlds
The underground, whoa yes
On every wall and place my fearsome name is hung
Just look around, whoa yes

Nobody rules these streets at night but me
The Atomic Punk
Oh
I am the ruler of these netherworlds
The underground, oh oh
On every wall and place my fearsome name is hung
Look around, whoa yeah
Nobody rules these streets at night but me, nobody
The Atomic Punk
