Vaya Con Dios (May God Be With You)

Perry Como

Now the hacienda's dark, the town is sleeping
Now the time has come to part
The time for weepingVaya Con Dios, my darling
May God be with you my loveNow, the village mission bells are softly ringing
If you listen with your heart you'll hear them singingVaya Con Dios, my darling
May God be with you my loveWhere ever you may be, I'll be beside you
Although you're many million miles away
Each night I'll say a prayer, a prayer to guide you
To hasten every lonely hour of every lonely dayNow, the dawn is breaking through a gray tomorrow
But the memories we share are there to borrowVaya Con Dios, my darling
May God be with you my loveVaya Con Dios, my darling
May God be with you my loveNow the time has come to say goodbye
