

Vaya Con Dios (May God Be With You)

Perry Como

Now the hacienda's dark, the town is sleeping
Now the time has come to part
The time for weeping Vaya Con Dios, my darling
May God be with you my love Now, the village mission bells are softly ringing
If you listen with your heart you'll hear them singing Vaya Con Dios, my darling
May God be with you my love Where ever you may be, I'll be beside you
Although you're many million miles away
Each night I'll say a prayer, a prayer to guide you
To hasten every lonely hour of every lonely day Now, the dawn is breaking through a gray tomorrow
But the memories we share are there to borrow Vaya Con Dios, my darling
May God be with you my love Vaya Con Dios, my darling
May God be with you my love Now the time has come to say goodbye
