

No Bones

De Portables

Hey babe, thought maybe
Can't feel, not today
Wish it didn't faze me
Can't handle either wayWith life surrounded
Entombed in war
Don't lie to her
No bones, no bonesThe vast expanses
It can't be too grand
To go together outside
Hey babe, can't do itCan't put you there again
Can't feel, can't go through it
If there only was a way
If there only was a wayWith life surrounded
Entombed in war
Don't lie to her
No bones, no bonesThe vast expanses
It can't be too grand
Or I'll send them back
