

This Head I Hold (Rudi Zygadlo Remix)

Electric Guest

They call me a little wound-up
See, I'm upset because I've always been stuck
 But I don't know what it is I'm without
 Guess I'm in love with always feeling down
 It was fully consumed
 By all of the petty things that I couldn't do
 All of the plastic all are surely worn(?)
 But I didn't ever show, I let it go
 So I listen while I'm toldSit back, don't think
 Get high, take drink
 Sit back, don't think
The more I listen, the deeper I sinkAnd, ooh, I go higher
 And I say, ooh, a-oooh, I go higher
 This head that I hold, oh, it's so tired
 And I say, oh, no, I go higher
 And I say, ooh, what's it gon', what's it gonna be
 Make me say, ooh, what's it gon', what's it gonna be
 I'm feelin' so cold, what they want, what they want from me
Make me say ooh, ooh, ooh, ooh (what they want, what they gonna be)So find me stuck in the scene
 I wanna get out but there's no in-between
 So I sit back as I watch the crowd go
 Never assuming that I've sunken so low
 If I wanna be free
 I gotta stop playin' round and runnin' from me
 'Cause all of the plastic all are surely worn(?)
 They got my head feelin' low, no room to grow
 So I listen while I'm toldSit back, don't think
 Get high, take drink
 Don't feel, just go
If you listen carefully, then you won't feel so lowSit back, don't think
 The more I listen, the deeper I sinkAnd, ooh, I go higher
 And I say, ooh, a-oooh, I go higher
 This head that I hold, no, it's so tired
 And I say, oh, no, I go higher
 And I say, ooh, what's it gon', what's it gonna be,
 Make me say, ooh, what's it gon', what's it gonna be
 I'm feelin' so cold, what they want, what they want from me
Make me say ooh, ooh, ooh, ooh (what they want, what they gonna be)I'm sinking, ooh, I go higher
 And I say, ooh, a-oooh, I go higher

Get no sleep, meet the vampire
And I say, ooh, no, I go higher
And I say, ooh, I go higher
And I say, ooh, a-oooh, I go higher
This head that I hold, no, it's so tired
And I say, ooh, no, I go higher
