Yellow Snow

Two Timer

Time has gone
And you haven't learned
How to drink
Your life straight from the bottle
I'm disgusted
And a bit concerned
Life kicked you in the nuts and now you wobble
You better lose your big dreams
There's no such thing as easy money
Oh can't you see - there's no chance
You've got no gravy
No bitch will call you honey

One more thing
Before you go
Don't you eat
The yellow snow
One advice
Before you go
Don't you eat
The yellow snow

Oh can't you see
Right in front of your eyes
Right in the snow
The wolves are pissing
You didn't know
Just from the lines
Stop licking the ice
Are you listening

One more thing
Before you go
Don't you eat
The yellow snow
One advice
Before you go
Don't you eat

The yellow snow

One more thing
Before you go
Don't you eat
The yellow snow
One advice
Before you go
Don't you eat
The yellow snow

There are some things you have to change
Millions of things to rearrange
You got no place to live got no place to go
Take my advice don't you eat the yellow snow
