Love Of My Life

Cowboy Mouth

The love of my life is a shady lady, tearing me up just to bring me down
She used to be calm, but now she's crazy
I don't mind
Tearing me down like a jungle monkey, cutting me up like a jungle catShe used to be fine, but now she's funky
I don't mind
She's not the love of my life anymore
The love of my life takes my lunch to breakfast,
Nary a thought that a man might starveShe used to smoke dope, but now she's X-ing
I don't mind
Tearing me down with a full length mirror,
Praying for death while her beauty fadesShe'll go anywhere any man will lead her
I don't mind
She's not the love of my life anymore
I hurt - you walk
