First Lady

Nikki Yanofsky

Advisory - the following lyrics contain explicit language:

First lady, move me
Tell me of your song
It's sad but true
Touched by the feeling memories I adoreI'm glad I have you
My lady, very first lady
Cherished songs you passed on to
I feel compelled to thank you, dear loveYou will remain forever
I wish there was some way to thank you
So I write this song dedicated to youYou will remain forever
I wish there was some way to thank you
So I write this song dedicated to you
