Trouble's Coming

[Royal Blood](#)

I gave my knuckles a run for their money,spider web
Cracks on the mirror,
I see someone but not somebody
If I could then I would
If I could then I would
If I could

I let my demons take hold and CHOKE ON ME
Can't FILL these holes that I'm digging
Can't STOP my heart when it's sinking
BUT If I could then I would
If I could then I would
If I could

IF I COULD YOU don't think I would pretend
Troubles coming but I still don't know when
That's the voice that I can hear in my head
I hear it over and over again

I hear trouble coming
I hear trouble coming
I hear trouble coming
over and over again

I hear trouble coming
I hear trouble coming
I hear trouble coming
over and over again

In my reflection I see signs of psychosis
I try to pay them no attention can't keep them under the surface
If I could then I would
If I could then I would
If I could

IF I COULD you don't think I would pretend
Troubles coming but I still don't know when
That's the voice that I can hear in my head
I hear it over and over again

I hear trouble coming
I hear trouble coming
I hear trouble coming
over and over again

I hear trouble coming
I hear trouble coming
I hear trouble coming
over and over again

I canâ€™t wait forever
Cause I donâ€™t have the time left to spend
Wishing I was someone better
Wishing I could start all over again

I hear trouble coming
I hear trouble coming
I hear trouble coming
over and over again

I hear trouble coming
I hear trouble coming
I hear trouble coming
over and over again

IF I COULD you donâ€™t think I would pretend
Troubles coming but I still donâ€™t know when
Thatâ€™s the voice that I can hear in my head
I hear it over and over again

I hear trouble coming
I hear trouble coming
I hear trouble coming
over and over again

I hear trouble coming
I hear trouble coming
I hear trouble coming
over and over again
