

# If You Need Me

## The Purple Hearts

If you want to know all reasons  
For the things I feel inside  
You can run away and hide  
If you want to But if you need me  
Show me a way to get through  
Cause I've not see anyone like you  
Since I was a man If you want to know for certain  
What is written in my soul  
Where my wildest dreams unfold  
Like an endless stream If you need me  
Show me a way to walk tall  
Cause I've not seen anything at all  
Until I met you Sun lights up the seasons  
Blue eyes light up the night If you want to know the meaning of  
These feelings that's alright  
I could be with you tonight  
That's where I'd like to stay If you need me  
Show me a love that is true  
Cause I've not seen a woman like you  
Since I was a man If you want to know what magic lies  
Beneath the halo'd moon  
In each corner of each room  
Where my love has strayed If you need me  
Show me a way to walk tall  
Cause I'd not seen anything at all  
Until I met you If you need me  
Show me a way to get through  
Cause I've not seen anyone like you  
Since I was a man
