## Al Jarreau

Love and happiness, something going wrong  
Someone's on the phone, three o'clock in the morning, yea  
Talking bout, how she can make it right, will  
Happiness is when, you really feel good about somebody

Cause nothing wrong being in love with someone, yea, yea  
Oh baby, love and happiness,  
Love and happiness  
Love and happiness

Love and happiness  
Interlude: horns  
I have to say, love and happiness  
Love and happiness`

Yea, love and happiness  
Love and happiness  
Be good to me,  
I'll be good to you, will be together,

See each other walk away with victory, hey, oh baby  
Love and happiness  
Love and happiness`  
Love and happiness

Love and happiness  
Hey, hey, hey, make you do right, hey, love will make you do wrong,  
Make you come home early, make you stay out all night long, power  
Of love, wait a minute, let me tell you something, about the

Power,  
Power of love, hey, hey, hey  
Power, power, make you do right, love will make you do wrong,  
Baby,

Love and happiness  
Baby,  
Love and happiness,  
I say

Love,  
Love and happiness,  
Can you say,  
Love and  
  
Happiness,  
Make you wanna dance, love and happiness  
Love is, wait a minute, love is, hey, hey, walking together,  
Hey, hey, talking together, singing together, laying together, make  
  
Me wanna moan, uh, moan for love, uh, let me moan for love, uh, `  
Moan for love
