

# We Will Stand

## Judy Jacobs

Sometimes it's hard for me to understand  
Why we pull away from each other so easily  
Even though we're all walking the same road  
Yet we build dividing walls between our brothers and ourselves

But I, I don't care what label you may wear  
If you believe in Jesus you belong with me  
The bond we share is all I care to see  
And we can change this world forever  
If you will join with me, join and sing

Oh you're my brother, you're my sister  
So take me by the hand  
Together we will work until He comes  
There's no foe that can defeat us  
When we're walking side by side  
As long as there is love we will stand

The day will come when we will be as one  
And with a mighty voice together  
We will proclaim that Jesus, Jesus is King  
And it will echo through the earth  
It will shake the nations and the world will see, see that

You're my brother, you're my sister  
So take me by the hand  
Together we will work until He comes  
There's no foe that can defeat us  
When we're walking side by side  
As long as there is love we will stand

The time is here, the time is now  
To take a stand, to make a vow  
I won't let go, you're not alone  
Now and forever we'll sing together

You're my brother, you're my sister  
So take me by the hand  
Together we will work until He comes  
There's no foe that can defeat us

When we're walking side by side  
As long as there is love we will stand

You're my brother, you're my sister  
So take me by the hand  
Together we will work until He comes  
There's no foe that can defeat us  
When we're walking side by side  
As long as there is love we will stand

We will stand  
We will, we will stand  
We will stand
