

New Hunger

Black Light Burns

Pulling on your lazy arms

Get up out of bed

There's vanity

In the holes from which we bled

Your armies have come and gone

Silence on the battleground

This insurgence was just enough to see them drowned
You wanna swim with us, you've gotta get to the
water

Take me to your mountain

Tear down the waterfall

It's coming near

Listen you can hear it call

So put a coin inside your mouth

And wade out to your knees

You crumble down

And give yourself to the sea
You wanna swim with us, you've gotta get to the water
