

# Go Ahead

## Fireflight

Yesterday I heard Your voice  
Whispering through all the noise  
I pretended I couldnt hear YouBut You kept on pursuing me  
And You began to move in me  
And I just couldnt hide anymore  
I wont fight YouGo ahead  
Take what You want to  
Take what You need to  
Dont let me hold You backGo ahead  
Do what You have to  
'Cause I wanna know You  
Dont let me hold You backIll wear my heart out on my sleeve  
If it brings You close to me  
Help me leave the life I knew before YouCome inside, erase the shame  
Call me by a different name  
I wont be the same anymore  
God I trust YouGo ahead  
Take what You want to  
Take what You need to  
Dont let me hold You backGo ahead  
Do what You have to  
'Cause I wanna know You  
Dont let me hold You backGod I was so wrong  
To stay away so long  
Oh, how I need YouGo ahead  
Take what You want to  
Take what You need to  
Dont let me hold You backGo ahead  
Do what You have to  
'Cause I wanna know You  
Dont let me hold You backGo ahead  
Take what You want to  
Take what You need to  
Dont let me hold You backGo ahead  
Do what You have to  
'Cause I wanna know You  
Dont let me hold You back
