

Cheat On You (Album Version)

Trey Songz

Hey, ladies
(Hey, ladies)
I know you gotta feel me on this
You see there's something
That's been worrying me And I need to get it off my chest
See when you got you a good man at home
Don't you do him wrong
'Cause I'ma tell you what he thinking, uh, huh, huh It's 8:30, I know my baby kinda worried
I said, I'd be there, said, I'd make it in a hurry
But I ain't even on the way
(I ain't even on the way) She thinking home is so perfect
(Perfect)
But I guess it's 'cause her vision kinda blurry
(Oh)
She don't realize she do me so dirty
(Oh)
And she don't recognize the things that she say (Things you say)
Can drive a man so crazy
(Make him wanna leave your ass)
Got one foot outside the door I can't take it no more
Sometimes I wanna
(Walk away)
(And find another lady)
I do 'cause all the things I been doing for you I'm getting tired of the things you do
To make me wanna cheat on you
(All I go through)
All I gone through
Make me wanna cheat on you (When you act a)
When you act a fool
You make me wanna cheat on you
(And I know it ain't cool)
And I know it ain't cool
But I'm gonna cheat on you
(You) It ain't worth it
(No)
You see my love you don't deserve it
You can take it, you can dish it, you can serve it
But when the tables turn on you
(Tables turn on you) (I know)

When every man deserves happiness
(I know)
When your the reason that it happened all along
And I tried to look past it oh but it's the
It's the, it's the Things you do to make me wanna cheat on you
(To make me wanna cheat on you)
All I gone through
(All I go trough)
Make me wanna cheat on you When you act a fool
(When you act like you ain't got no sense)
I just wanna cheat on you
And I know it ain't cool
But I'm gonna cheat on you
(You) Hey, ladies
(Hey, ladies)
I know you gotta feel me on this
(On this)
Things you say, can drive a man so crazy
Make him wanna leave your ass
(Oh) It's the things you do
To make me wanna cheat on you
(Drive a man so crazy)
All I go through
Make me wanna cheat on you
(Find another lady) When you act a fool
I just wanna cheat on you
And I know it ain't cool
But I'm gonna cheat on you It's the things you do
To make me wanna cheat on you
(Drive a man so crazy)
All I gone through Make me wanna cheat on you
(Find another lady)
And I know it ain't cool
But I'm gonna cheat on you
(You)
