

Go Amanda

Steve Earle

Take your red dress, leave the hanger
Lose the sadness, use the anger
You might need it 'fore you get there Oh, Amanda
You don't have to say goodbye
Just go Amanda
Ain't no way you didn't try
Woh, oh all right Tell your sister, tell your brother
Take a picture to your mother
You've been livin' undercover Oh, Amanda
You don't have to say goodbye
Just go Amanda
Ain't no way you didn't try
Woh, oh all right Oh, Amanda
You don't have to say goodbye
Just go Amanda
Ain't no way you didn't try
Woh, oh all right Oh, Amanda
You don't have to say goodbye
Just go Amanda
Ain't no way you didn't try
Woh, oh all right Oh, Amanda
Oh, Amanda
