No Limit

Fred Small

Yo, this goes out ta all my thugs
That get accused for things that not sain
You know how the stand go
If it don't fit, you must quit, ya heard?
Lotta thugs respect it
2-way open, my cold is broken
Why ya gotta be this way, girl I thought we were straight
Checkin' out my messages just hopin'
Thinkin' that I'm cheatin', baby what's the reason
Askin' this question that's always on my back
Seein' somethin's funny, just out here gettin' money
Comin' up with your own conclusion
Baby it's confusin', it's all an illusion
Love ain't no limit for me and you
Why we goin' through the things we be goin' through, goin' through
Love ain't no limit for me and you
Oh I, oh I
Love ain't no limit for me and you
Why we goin' through the things we be goin' through, goin' through
Love ain't no limit for me and you
Oh I, oh I
Cell phone ringin', your head is steamin'
Thinkin' that I'm crazy, baby you amaze me
Mind is dazin', your heartbeats racin'
Thinkin' that I'm cheatin' 'cuz do you have no reason
My videos on TV, people recognize me
You ain't tryna undastand, think I gotta game plan
I don't wanna ride it but you
But I can't understand the things that you do still
Love ain't no limit for me and you
Why we goin' through the things we be goin' through, goin' through
Love ain't no limit for me and you
Oh I, oh I
Love ain't no limit for me and you
Why we goin' through the things we be goin' through, goin' through
Love ain't no limit for me and you
Oh I, oh I
(Keep it real)
Keep it real mommy

(With me)
Keep it real mommy, keep it real fo' sho'
(Come on)
(Baby)
(That's all you have ta do)
Keep it real mommy, keep it real fo' sho'
(With me baby)
(Don't worry 'bout what ya heard)
Keep it real mommy, keep it real fo' sho'
(It's not true)
(The only one I'm here for)
Keep it real mommy, keep it real fo' sho'
(Is you babe)
(Keep it real)
Love ain't no limit for me and you
Why we goin' through the things we be goin' through, goin' through
Love ain't no limit for me and you
Oh I, oh I
Love ain't no limit for me and you
Why we goin' through the things we be goin' through, goin' through
Love ain't no limit for me and you
Oh I, oh I
Oh I, oh I
Oh I, oh I
Oh I, oh oh I
Oh I, oh oh I
When I say oh, you say I
Say oh oh
Say when I say oh, you say I
Say oh oh
Love ain't no limit for me and you
Why we goin' through the things we be goin' through, goin' through
Love ain't no limit for me and you
Oh I, oh I
Love ain't no limit for me and you
Why we goin' through the things we be goin' through, goin' through
Love ain't no limit for me and you
Oh I, oh I
