

My Own True Love

Nana Mouskouri

My own true love, my own true love
At last I found you, my own true love
No lips but yours, no arms but yours
We'll live eternally through heaven's door I roam the earth in search of this
I knew I'd know you, know you
By your kiss, by your kiss
You've showed true love
I'm yours forever, my own true love
(Repeat)
